Answer

MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF COAL, POWER AND NEW AND RENEWABLE ENERGY
(SHRI PIYUSH GOYAL)

(a)& (b): ECL has informed that there is no proposal to open a 500 bed medical college and hospital at Godda, Jharkhand under the Corporate Social Responsibility (CSR). However, ECL Board had in its 241st Meeting on 15.01.2011 approved, in principle, for setting up a 300 bedded Hospital with a tentative cost of Rs.150.00 crore at Deoghar or at such site as would be identified by the State Government of Jharkhand to run on Public Private Partnership (PPP) Model. The State government has not yet identified the land and communicated to ECL or CIL.
