(a) No, Madam. The National Monuments Authority is not mandated for this purpose as per the Ancient Monuments and Archaeological Sites and Remains (Amendment and Validation) Act, 2010. However, NMA has requested ASI to send an updated and corrected list of missing/untraceable monuments under Delhi Circle of ASI.

(b) Does not arise.

(d) The Archaeological Survey of India conserves, preserves and maintains the monuments/sites declared as of National importance on priority basis as per archaeological norms and availability of resources. Conservation, preservation and maintenance of monuments is a continuous process. Therefore, no such scheme or target has been fixed for conservation and preservation of monuments. However, the amount spent by the Archaeological Survey of India on conservation, preservation and maintenance of centrally protected monuments/sites in the country during the last three years and allocation for the current year (State-wise) is at Annexure-I.
