

**GOVERNMENT OF INDIA
COAL
LOK SABHA**

UNSTARRED QUESTION NO:4042

ANSWERED ON:13.08.2015

Production of Coal

Nete Shri Ashok Mahadeorao;Sahu Shri Chandu Lal

Will the Minister of COAL be pleased to state:

- (a) the targets set and achievements made for the production of coking and non-coking coal in the country during each of the last three years and the current year, company-wise;
- (b) the production of coal from the opencast mines and underground mines during the said period;
- (c) whether the Government has taken any steps to achieve the targets set for the production of coal during the current year; and
- (d) if so, the details thereof?

Answer

MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF COAL, POWER AND NEW AND RENEWABLE ENERGY

(SHRI PIYUSH GOYAL)

(a): The target set and achievements made for production of coking and non-coking coal in the country during each of the last three years and the current year, company-wise is given below:-

Company

Coal Production (Mte)

2012-13 2013-14 2014-15 2015-16

(c)&(d): The focus of the Government / CIL is on increasing coal production from both underground mines and opencast mines. Steps taken by the Government to increase coal production include: (i) deployment of Mass Production Technology i.e. use of Continuous Miner in Board & Pillar working and adopting Long Wall Technology at suitable locale where geo-mining conditions permit (ii) installation of man riding system particularly in arduous/long travelling road mines of CIL to improve effective working hours of underground mines (iii) up gradation of technology presently in practice in CIL mines including UG & OC mines and further modernization wherever required (iv) to maintain the planned growth in production and evacuation in future, CIL has undertaken three major Railway Infrastructure Projects in growing coalfields of SECL, MCL & CCL (v) the subsidiaries of CIL are making efforts for obtaining EC/FC within the schedule time frame so that projects could start production in time and (vi) liaisoning by subsidiaries with State Governments to expedite land acquisition to start green field projects and expand existing projects.
