Answer

ANSWER

THE MINISTER OF WATER RESOURCES, RIVER DEVELOPMENT AND GANGA REJUVENATION

(SUSHRI UMA BHARTI)

(a) & (b) No, Madam. The Government has not set up any CCTV monitoring system on the banks of river Ganga to catch offenders dumping toxic waste into the river as of now. The Government has launched a portal "Bhuvan Ganga" in collaboration with National Remote Sensing Centre (NRSC) where users can upload geospatial coded photographs through a mobile based application.
