- (d) the other steps taken by the Government to associate industry and strengthen the schemes/programmes of State Governments for training youth?

Answer

ANSWER

MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP (SHRI RAJIV PRATAP RUDY)

(a) to (d) A statement is laid on the Table of the House.

STATEMENT TO BE LAID ON THE TABLE OF THE HOUSE IN RESPECT OF PART (a) TO (d) OF LOK SABHA STARRED QUESTION NO. 84 ADMITTED FOR REPLY ON 02.03.2016 REGARDING "WORLD BANK ASSISTANCE FOR SKILL DEVELOPMENT"

(a) to (d) Yes, Madam. The Government of India has collaborated with the World Bank under the Vocational Training Improvement Project (VTIP) for upgradation of 400 Government Industrial Training Institutes (ITIs) in 34 State Governments/UTs. The project started in December, 2007 has the closing date as September, 2016. The fund sharing under the project is in the ratio of 75:25 [90:10 for North Eastern States] between the Central and State Governments with the World Bank assistance of US\$ 280 million.

Further, an amount of Rs. 2.0 to 3.5 crore was allocated under VTIP for improvement of ITIs on the basis of the Institutional Development Plan (IDP) submitted by the ITIs. During implementation of the Project, funds were also reallocated between ITIs within overall allocation to the respective States. Besides, additional fund of Rs. 1.0 to 1.5 crore has also been allocated to the Project ITIs based on their Action Plan. Under the project, Rs. 1739 cr. has been allocated to the States/Union Territories against which Rs. 1486 cr. has been utilised till December, 2015. The States/UTs-wise detail is given in Annexure.

Besides, to associate industry sector under the Project, Institute Management Committee (IMC) has been constituted at ITI level with the chairmanship from the industry.

In addition, there are following two other projects which have been approved by the Screening Committee of Department of Economic Affairs, Ministry of Finance for assistance from the World Bank:-

- (i) Skill Training for Employability leveraging Public Private Partnership (STEPPP) with the proposed assistance of US \$ 1 billion from World Bank; and
- (ii) Skill Strengthening for Industries Values Enhancement (STRIVE) with an estimated cost of US \$ 537.50 million to be shared by World Bank and the Government of India on 50:50 basis.

One of the major components of the STEPPP project is to strengthen institutional mechanism at State level by supporting the setting up and development of State Skill Development Missions by driving quality, quantity, reach and outcomes. Further, under the project 'STRVE', one of the components has the provision for funding to the State Project Management Units.

Furthermore, the STEPPP project has the provision of a platform for sharing of knowledge and best practices. Replication of successful modes like Kaushal Vardhan Kendra in Gujarat, convergence of skill initiatives as adopted by Rajasthan Skill and Livelihoods Development Corporation (RSLDC), etc. has also been recommended under the project.
