Answer

MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF TEXTILES (SHRI SANTOSH KUMAR GANGWAR)

(a) to (c): National Textile Corporation (NTC) has been implementing a revival scheme approved by Board for Industrial & Financial Reconstruction(BIFR) at a total cost of Rs. 9102 crore. Under this scheme, 78 mills have been closed down (AnnexureI), 22 mills are to be revived by NTC itself and 18 mills are to be operationlised through Joint Venture (JV) route. 2 mills have been taken out from joint venture list and revived by NTC itself. Thus, 23 mills have been revived by NTC so far and one mill is slated to be set up as Technical Textiles unit in Rajasthan (AnnexureII). 5 mills are operational through JV route, (AnnexureIII) remaining 11 mills are under arbitration as their Memorandum of Understanding (MoU) were cancelled on review.
