**Answer**

The Minister of State in the Ministry of Finance  
(Shri Santosh Kumar Gangwar)

(a) The Atal Pension Yojana (APY) was launched in May, 2015 and the registration of subscribers under APY started from June 1, 2015. The salient features of the Atal Pension Yojana are as under:

â€¢ Indian Citizens between the age group of 18 to 40 years eligible to join APY through their savings bank account or post office savings bank account.

â€¢ APY is based on defined benefit for providing guaranteed minimum monthly pension of Rs. 1000 or Rs. 2000 or Rs. 3000 or Rs. 4000 or Rs. 5000 at the age of 60 years based on pension amount chosen.

â€¢ The Central Government would also co-contribute 50% of the total contribution or Rs. 1000 per annum, whichever is lower, to each eligible subscriber, for a period of 5 years, i.e., from Financial Year 2015-16 to 2019-20, who have joined the APY before 31st March, 2016, and who are not members of any statutory social security scheme and who are not income tax payers.

â€¢ In case of premature death of Subscriber (death before 60 years of age), spouse of the subscriber has been given an option to continue contributing to APY account of the subscriber, for the remaining vesting period, till the original subscriber would have attained the age 60 years.

â€¢ In case of death of both subscriber and spouse, the entire pension corpus would be returned to the nominee.

â€¢ If the accumulated corpus based on contributions earns a lower than estimated return on investment and is inadequate to provide the minimum guaranteed pension, the Central Government would fund such inadequacy. Alternatively, if the actual returns during the accumulation phase are higher than the assumed returns for minimum guaranteed pension, such excess will be passed on to the subscriber.

The details of subscribers registered under APY bank/State/UT-wise as on 16th November, 2016 is placed at Annexure A.

(b) and (c) The APY is a long-term savings product, with at least 20 years of financial commitment, where a subscriber has to analyse his capacity to contribute and match it with his own requirement of an adequate pension amount, depending on his age of entry into APY. In one year since the commencement of enrolment under APY (up to end of June, 2016), 30.1 lakh subscribers were enrolled under APY as compared with the 3.01 lakh subscribers enrolled during the first year of implementation of the Swavalamban pension scheme.

Measures taken to encourage people to join APY include:

â€¢ Creation of awareness through media publicity campaigns and organising town-hall meetings with the participation of State Governments and State Level Bankers' Committees to aggregate the target occupational groups and other potential subscribers.

â€¢ Providing flexibility to subscribers to pay monthly, quarterly or half-yearly contributions under APY to facilitate participation by subscribers earning seasonal or irregular income, such as in agriculture and in informal sector.

â€¢ Permitting voluntary premature exit before age 60 to subscribers under APY.

â€¢ Capacity building of enrolment agencies, like officials of banks, post offices and business correspondents.

â€¢ Tax benefits at par with NPS have been extended to APY.

(d) & (e) Banks and Post Offices are registered as APY Service Providers who are primarily entrusted with the distributions of the Scheme as APY is available to only those applicants with a Savings Account in Banks and Post Offices. The Service Providers are being advised to promote APY for expanding the outreach of the Scheme to the ultimate prospective customers. Various promotional campaigns like Log-in Days, Elderly Day-Campaign, etc. among the service providers are being conducted to popularize and create awareness about APY. Advertisements in print and electronic media are issued periodically to create awareness about APY among prospective subscribers. Government is not considering raising the upper age limit for entry into APY from 40 years to 50 years.
