(a): Yes, Madam.

(b): The budget allocation for the "Start up India Aspiration Fund" has been revised from ₹ 600 crore to ₹ 100 crore based on overall availability of funds and the requirement for this Scheme. Department of Industrial Policy and Promotion (DIPP) is the nodal Department of the fund, has been authorized by Department of Financial Services (DFS) to utilize an amount of ₹ 100 crore for implementation of India Aspiration Fund during the year 2016-17 and also take steps for allocation of requisite funds for the financial year 2017-18. A token provision has accordingly been made for 2017-18.
