(f): The following steps have been taken/being taken by this Ministry for proper monitoring of the above mentioned schemes:-

The scheme of Pre-matric, Post-matric and Merit-cum-Means based scholarships are now on National Scholarship Portal 2.0 (NSP-2.0), where online applications are obtained from the students. The scholarships are disbursed in Direct Benefit Transfer (DBT) mode to the eligible students verified by the institutions and respective State Government/UT Administrations. The accounts of the students are authenticated by the banks. Periodic reviews are also undertaken with State Government/UT Administrations and banks.

The scheme of Maulana Azad National Fellowship is implemented through University Grants Commission (UGC) as per their norms and guidelines. Ministry takes periodic review with UGC.

Padho Pardesh is an interest subsidy scheme for higher studies abroad and implemented through banks. In this case the credentials of the students are verified by the banks. Ministry takes periodic review with the banks.

Scheme of Support for minority students clearing prelims conducted by UPSC/SSC/State Public Service Commissions etc. is directly implemented by the Ministry by calling online applications from the candidates selected in the Preliminary examinations conducted by UPSC/SSC/State Public Service Commissions etc. The funds are transferred directly in their bank accounts through DBT mode.

Free Coaching and Allied Scheme is implemented through Government/Private coaching institutions/NGOs empanelled by the Ministry. The coaching institutions are inspected by State Government/UT Administrations and officers of this Ministry wherever required. Ministry has also taken action for concurrent monitoring of the coaching programmes through an independent agency.

For monitoring of Nai Manzil scheme, a Project Management Unit has already been finalized. The monitoring will be done through State Government and third party also.

Maulana Azad Education Foundation has developed a portal for registration of applications for scholarship from the current financial year and bank account number of the applicants has been made mandatory in order to release the scholarships through DBT mode. The applications are also verified by the Principal of the school where the candidate is studying.

An independent agency is regularly engaged for inspection of beneficiaries financed by the respective SCAs to assess the utilization of loan and impact of NMDFC schemes on beneficiaries. NMDFC also carries out inspection of beneficiaries by sending its officials for field visits and the findings of the field visits are discussed during the Annual conferences and review meetings.
