Minister of State in the Ministry of CIVIL AVIATION (Shri G. M. Siddeshwara)

(a) to (c) Air Cargo terminals including domestic cargo facilities at the airports of Airports Authority of India and Joint Venture airports are developed by the respective airport operators from time to time based on their assessment of existing market conditions and future potential for such facilities. The viability of establishing such facilities including its revenue and expenditure and the timelines are dependent upon the business models of the respective airport operators.
