

**GOVERNMENT OF INDIA
PLANNING
LOK SABHA**

UNSTARRED QUESTION NO:6354
ANSWERED ON:12.04.2017
Human Development Index
Adityanath Shri Yogi; Ram Shri Vishnu Dayal

Will the Minister of PLANNING be pleased to state:

(a) whether the human development index of the Scheduled Castes (SCs) and Scheduled Tribes (STs) is lower than the national human development index;

(b) if so, the details thereof and the reasons therefor; and

(c) the steps taken by the Government to improve the said human development index of SCs and STs?

Answer

MINISTER OF STATE (INDEPENDENT CHARGE) FOR MINISTRY OF PLANNING AND MINISTER OF STATE FOR MINISTRY OF URBAN DEVELOPMENT AND MINISTRY OF HOUSING & URBAN POVERTY ALLEVIATION

(RAO INDERJIT SINGH)

(a)&(b) The Human Development Indices (HDIs) of Scheduled Castes (SCs), Scheduled Tribes (STs) with respect to poverty ratio, literacy rate, school dropout rate, health indicators, etc. is presented in respective tables in Annexure-I. The data in the Annexure show that there has been gradual improvement in the Human Development Indices of SCs and STs over the years, even if there are gaps in these and all India indices. The main reasons for the gaps are poverty and its vicious circle, illiteracy, dependence largely on wage labour etc., which the Government has been addressing through various socio-economic and educational development programmes.

(c) Reduction of gap in the HDIs amongst SCs, STs and other social groups has always been the priority of socio-economic development policy and Government is committed to it. A large number of programmes are already in operation and the aim is to improve implementation through close monitoring and transparency so that the gaps in HDIs are reduced.

There are major on-going programmes exclusively for SCs and STs implemented respectively by the Ministry of Social Justice and Empowerment and Ministry of Tribal Affairs. The concerned Central Ministries and Departments also have earmarked "Allocations for the Welfare of SCs and STs", details of which are available in Statement 10-A for SCs and 10-B for STs in the Union Expenditure Budget 2017-18. The total "Allocation for the Welfare of SCs" has increased from Rs. 38833 crore (BE) in 2016-17 to Rs. 52393 crore (BE) in 2017-18 i.e. an increase of 35 per cent. Similarly, the total allocation for the welfare of STs has increased from Rs. 24005 (BE) crore in 2016-17 to Rs. 31920 crore (BE) 2017-18 i.e. an increase of 33 per cent. Up to 2016-17 scheme-wise/Ministry-wise funds earmarked for SCs and STs were shown in Statement 21 and 21-A of the Expenditure Budget Volume-I under Scheduled Castes Sub-Plan (SCSP) and Tribal Sub-Plan (TSP) respectively.

Annexure-I

Annexure referred to in reply to part (a) and (b) of Lok Sabha Unstarred Question No. 6354 to be answered on 12.04.2017 regarding Human Development Index by Shri Vishnu Dayal Ram and Shri Yogi Aditya Nath, Members, Lok Sabha.

Table-1: Incidence of Poverty across Social Groups

Social Groups	Rural	Urban				
2004-05	2009-10	2011-12	2004-05	2009-10	2011-12	
SCs	53.53	42.26	31.50	40.56	34.11	21.70
STs	62.28	47.37	45.30	35.52	30.38	24.10
Total (All India)	41.79	33.80	25.40	25.68	20.09	13.70
