Answer

MINISTER OF STATE FOR STEEL, MINES, LABOUR AND EMPLOYMENT (SHRI VISHNU DEO SAI)

(a) to (d): The Ministry of Labour & Employment is developing a unified Web Portal for on-line Registration of industrial units, Reporting of inspections, Submission of Annual Returns and Redressal of grievances. The Web Portal aims to achieve the objective of simplifying Business Regulations, bringing in transparency and accountability in Labour inspections, effective implementation of the Labour Laws and an effective Grievance Redressal System. The offices of the Chief Labour Commissioner (Central), the Employees' State Insurance Corporation and the Employees' Provident Fund Organisation will join the unified Portal initially, covering 16 Labour Laws. The State Governments may join this unified Web Portal subsequently.
