

**GOVERNMENT OF INDIA
RAILWAYS
LOK SABHA**

UNSTARRED QUESTION NO:1787
ANSWERED ON:26.07.2017
Difficulty in Boarding and Deboarding
Singh Shri Bhola

Will the Minister of RAILWAYS be pleased to state:

- (a) whether train commuters are facing a lot of difficulty in boarding and deboarding as the platform has not been constructed at the upper line of Hathidah Junction located in the Danapur division as a result of which apprehension of accident perpetually remains;
- (b) if so, the details thereof; and
- (c) the measures being taken by the Government to get the platform constructed at the upper railway line of the Hathidah junction?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS
(SHRI RAJEN GOHAIN)

(a) to (c): Hathidah (HTZ) is a 'B' category station. At present, 3 Platforms are available at this station, out of which 2 Platforms are of High level and one is a Rail level Platform. However, a proposal has been made for raising the platform as per the extant norms subject to availability of funds.
