- (v) **Need to amend suitably the environment laws so as to ensure implementation of development projects**

SHRI LALIT ORAON (Whardaga) : Consequent upon the Supreme Court's decision on conservation of forests, the very continuance of the projects in Vananchal region in Bihar is in trouble. The people have to suffer from their basic facilities. Permission for the schemes pertaining to roads, canals, telephones lines, water supply and electricity lines passing through the forests are not being accorded. Forest is a nature gift to mankind, and its conservation is our duty but forest conservation Act is becoming a curse for Vananchal region. All the developmental work become stand still.

I, therefore request the Government to make environmental Laws flexible for the developmental schemes, so that implementation of these schemes could be ensured.

MR. CHAIRMAN : Shri L. Balaraman.

*SHRI L. BALARAMAN (Vandavasi) : Madame Chairperson, I thank you very much for giving me an opportunity to speak on the Union Budget for the year 1997-98. On behalf of the United Front Government, Hon'ble Thiru. P. Chidambaram, our Finance Minister has submitted the Budget this year. I am here to welcome this Budget and my party joins with me in doing so.

As far as this august House is concerned, for many a times, right from the beginning, from the time when 'the light of Asia'. Late Pandit Jawaharlal Nehru, our first Prime Minister was there, Tamil Nadu had played a significant role through the Finance Ministers from there. Late Shri R.K. Shanmugam Chettiar was the Finance Minister in Nehruji's Cabinet. Later on Late Shri T.T. Krishnamachari was our Finance Minister. Later on, Thiru. C. Subramaniam and Thiru R. Venkatraman were there as our Finance Ministers. Now we have Thiru. P. Chidambaram holding the Finance portfolio.

The Budget presented by Hon'ble Thiru. P. Chidambaram is a welcome budget in the sense that it is welcomed by all the people from various sections of the society. The features of the budget are quite welcome and the criticism against the Budget are far less. Hon'ble Thiru. P. Chidambaram has presented his second budget in the Eleventh Lok Sabha in an appreciable way.

On the one side we find criticism that economic growth may not be achieved through this Budget. But at the same time we find the accolades the Budget gets from the industrialists and common people and appreciated by them all. Even the earlier Governments with absolute majority in this House could not submit a Budget of this kind. That was the situation then.

Tamil Meenila Congress (Moopanar) Party is one among the 13 parties that have formed a Government at the Centre. Thiru P. Chidambaram is a member of the TMC Party which is a constituent party of the ruling United Front. Through our Hon'ble Thiru. P. Chidambaram we have contributed our role. The Budget presented by our beloved Thiru. P. Chidambaram ensures the stability of this Government. It also stabilises our economy. We are very happy about this. We feel proud and we are proud of him.

In this multifaceted Budget that has several aspects, he has increased allocations to many sectors and ensured subsidies to the areas where they are required. This balancing act of his is considered a big feat and people are amazed and admire him for this. Cut in duties and reduction in taxes have been announced. These cuts are not normally made by any Government. But Thiru. P. Chidambaram has managed to bring down the tax rates. He has also indicated that there will be effective finance management and thereby an efficient Administration.
