MINISTER OF STATE (DR. SUBHASH BHAMRE)
IN THE MINISTRY OF DEFENCE
????? ????? ?????? (??, ????? ??????)

(a) & (b): Financial powers for procurement of ammunition, spares and armaments etc. have been delegated to the Army so as to enable them to maintain military preparedness at all times. Financial powers delegated to Army also cater to meeting any emergent requirement. The powers are reviewed from time to time and are modified as per assessed requirement which is a continuous process.
