Answer

MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS [GEN. (DR) V. K. SINGH (RETD)]

(a) to (d) Pakistan has been unsuccessfully resorting to anti-India propaganda around the world, in order to divert the international attention from its continued policy of sponsoring and using terrorist groups against India.

Government has been raising the issue from time to time in appropriate international fora; due to these strong and purposive international engagements, the international community recognizes Pakistan links with cross border terrorism in India as also the responsibility of the Government of Pakistan to put an end to it.
