Answer

THE MINISTER OF STATE IN THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS (SHRI PON. RADHAKRISHNAN)

(a) & (b) These letters are not received in this Ministry. However Andaman & Nicobar PWD is studying the feasibility of these culverts to ascertain their suitability to solve the drainage problem at that location as this location is a low lying area. The opening of Saw mill issue does not pertain to this Ministry. Restoration of stone quarry is in the purview of the A&N administration.
