Answer

MINISTER OF STATE (INDEPENDENT CHARGE) FOR MINISTRY OF STATISTICS AND PROGRAMME IMPLEMENTATION, MINISTER OF STATE FOR MINISTRY OF EXTERNAL AFFAIRS AND MINISTER OF STATE FOR MINISTRY OF OVERSEAS INDIAN AFFAIRS [GENERAL (Dr.) V.K. SINGH (Retd.)]

(a) to (c): No, Sir. However the Ministry of Statistics and Programme Implementation has undertaken third party physical monitoring of the MPLADS works in selected districts through independent agencies. In the last three years, 100 districts were covered in the physical monitoring wherein the independent monitoring agency [Agricultural Finance Corporation Limited (AFC)] took a sample of total 5615 works costing Rs.412 crore. AFC in its report concluded that about 82% works were in the Rural Areas and 18% works were in the Urban/Semi Urban areas. The share of rural and urban area in aggregate cost was 78% and 22% respectively.

(d) & (e): The Guidelines on MPLADS stipulate that all recommended eligible works should be sanctioned within 75 days from the date of receipt of the recommendation, after completing all formalities. The District Authority shall, however, inform MPs regarding rejection, if any, within 45 days from the date of receipt of recommendations, with reasons thereof. The time limit for completion of the works should generally not exceed one year.

The funds under the MPLADS are non-lapsable, both at the end of the Union Government and at the end of the District Authority i.e. the unspent balances of a particular year are utilized in the subsequent year (s). In view of the nature and dynamics of the scheme, the unutilized balances, which also include interest accrued, are bound to exist at any given point of time and utilisation of MPLADS funds in the same financial year is not feasible.

MP-wise release and utilisation details as furnished by the District Authorities are available on the website of the Ministry of Statistics and Programme implementation.
