(a) to (d): The Government has already approved establishment of a Central Armed Police Forces Institute of Medical Sciences (CAPFIMS), along with a 500-bed General Hospital, a 300-bed Super Specialty Hospital, a Nursing College and a School of Paramedics, at an estimated cost of Rs.1368.53 crore. Sanction order has been issued on 22.10.2013. This institute envisages to improve the health care facilities for the Central Armed Police Force personnel and their families and contribute to the overall improvement of the medical facilities available for the CAPFs, by producing doctors, paramedical staff and nurses, duly trained. A sum of Rs.1300.00 crore has been kept in the Gross Budgetary Support allocation for CAPFIMS in the 12th Five Year Plan (2012-13 to 2016-17). The completion schedule for the project is March 2017.
