Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI MANOJ SINHA)

(a): Some representations from public representatives have been received for improvement of passenger amenities and upgradation of Nellore Railway station.

(b): As per policy norms, based on the annual passenger earnings of 2011-12, Nellore has been classified as an "A" Category station and all essential passenger amenities have already been provided at the station. Improvement of passenger amenities at stations is a continuous process. Reclassification of stations, based on annual passenger earnings is done once in five years. The next review of station classification shall be done based on the earnings of the year 2016-17.
