**Answer**

MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI KIREN RIJU)

(a) to (d): The Integrated Check Post (ICP) Attari is spread over 120 acres and caters to the movement of both passengers and cargo at the International Attari road border. The ICP Attari has adequate facilities to handle the present level of both the imports and exports cargo.

The desired sheds, one for export cargo and two for import cargo with refrigerated storage of perishable cargo are available at ICP Attari. There have been rare instances of strikes or halting of work for short durations.
