

Title: Need to set up more LPG outlets at Namakkal and Thalivasal Sankari, district Salem in Tamil Nadu.

DR. V. SAROJA (RASIPURAM): The people belonging to my constituency, Rasipuram, are suffering from great hardship for want of adequate LPG refill facilities. LPG refills are not supplied for weeks together as there is only one refill agency in the region. About 12,00,000 people are waiting for new LPG connection in Tamil Nadu and more than three lakh people are in the waiting list from my constituency, Rasipuram.

I, therefore, urge upon the Government to set up two LPG agencies in my constituency, particularly in Namakkal and Thalaivasai Sankari in Salem District.
