Title: Need to provide financial assistance to the Government of Jharkhand to install big size statues of Birsa Munda and Sido Murmu in all the district headquarters and also in the capital of Jharkhand- Laid.

SHRI SALKHAN MURMU (MAYURBHANJ) : Jharkhand State comprises the geographical territory of Chotanagpur and Santal Pargana. The names of great Adivasi Martyrs Birsa Munda and Sido Murmu are attached to these territories for their great revolts against the Britishers. The Chotanagpur and Santal Pargana Tenancy Acts are the outcome of their struggle. These two Acts for protection of Adivasi land should never be diluted. I demand through you, Sir, that the big size statues of Birsa Munda and Sido Murmu may be installed in all the district headquarters and in the capital of Jharkhand.

I request the Union Government to take initiative in this regard and release adequate funds to the Government of Jharkhand for this purpose.
