

Title: Need to sanction adequate funds to District Cooperative Bank of Mysore, Karnataka for providing loan to the farmers-Laid.

SHRI S.D.N.R. WADIYAR (MYSORE) : The district Cooperative Bank of Mysore is the main bank which is providing loan assistance to the farmers in that district. But the fund position of that bank is not sound enough to meet loan requirements of the farmers in that district. The Union Ministry of Agriculture was requested to sanction Rs.50 lakhs to District Cooperative bank to improve its funds position and to maintain a reasonable level of Non-Over Due Cover (NODC) to operate on the credit limit sanctioned by the NABARD, under the centrally sponsored scheme for providing assistance to Credit Cooperative Institutions in the cooperatively under developed States during the year 1999-2000.

I urge upon the Government to sanction adequate fund to District Cooperative Bank of Mysore at the earliest.
