

**Title:** Need to revive N.T.C. and M.S.T.C. Units of Maharashtra.

**SHRI CHANDRAKANT KHAIRE (AURANGABAD, MAHARASHTRA):** National Textile Corporation and Maharashtra State Textile Corporation have proposed to shut down the mills run by them. About 30,000 workers will be rendered jobless in Maharashtra alone with the closing of these mills by NTC & MSTC.

I urge upon the Union Government to take necessary steps in reviving the state units by way of providing adequate funds and save the thousands of workers from starvation.
