

**Title:** Need to check the Naxalite activities in Aurangabad, Jahanabad and Chatra areas of Bihar.

SHRIMATI SHYAMA SINGH (AURANGABAD, BIHAR): Mr. Deputy-Speaker, Sir, it is not that I am desperate to speak in this House. But since the issue was very important, I was trying to speak for the last five days. So, I thought that I would bring this to the notice of this august House.

Sir, in my constituency, in Aurangabad - you must have read it through papers - for the last four consecutive days, there have been firing and many people have died in Naxalite operations. The PWG is at work in Aurangabad in great swing. The Railway Station has been burnt down and there is not a single law and order situation which is being taken care of.

I would like to bring this to the notice of the Government so that it better takes stock of the situation in Aurangabad, Jahanabad and Chatra - my colleague has just now spoken about it - and I request that necessary police action is taken. Thank you.

MR. DEPUTY-SPEAKER: Shri Sansuma Khunggur Bwiswmuthiary. Please be brief.
