

Title: Need to provide stoppage of Rajdhani Express at Balharshah Railway Station and other non-super fast trains at Chandrapur Railway Station in Maharashtra.

SHRI NARESH PUGLIA (CHANDRAPUR): Train Nos.2429-2430 Bangalore Rajdhani Express running between Bangalore and Hazrat Nizamuddin and train nos. 2433-2434 Chennai Rajdhani Express running between Chennai and Hazrat Nizamuddin do not have a scheduled stoppage at Balharshah Railway Station but they have only a technical halt there. The passengers who want to travel by these trains have to purchase tickets from/to Secunderabad/Vijayawada. Similarly, a large number of trains do not stop at Chandrapur Railway Station on Nagpur-Balharshah Section of Central Railways, although Chandrapur is a district headquarter and a large number of industries, Super Thermal Power Plant, Cement Plants are there. It is requested that in this year of passenger amenities, the Government should explore possibilities of providing a scheduled stoppage of Rajdhani Express trains at Balharshah Railway Station and a stoppage of at least non-super fast trains at Chandrapur Railway Station.
