Title: Need to set up a Regional Rural Bank for Travancore area in Kerala with head office at Kottarakara.

SHRI KODIKUNNIL SURESH (ADOOR): Sir, there are no Regional Rural Banks in Thiruvananthapuram, Quilon and Pathanamthitta districts in Kerala. These three districts in Kerala are mainly agriculture-based districts.

In India, majority of the districts are covered by Regional Rural Banks. In Kerala, in North Malabar and South Malabar also the Regional Rural Banks are functioning for years. The Regional Rural Banks have provided several schemes for farmers. The Government of India sponsored schemes are also taken up through the Regional Rural Banks. Unfortunately, the Travancore area of Kerala has no such facility. In Kerala, the Travancore area's main nationalised bank is the State Bank of Travancore. The State Bank of Travancore is one of the leading nationalised banks in the country. The State Bank of Travancore's deposits and other services are very high. The State Bank of Travancore can run a Regional Rural Bank in the Travancore area.

Therefore, the Union Government must take urgent steps to set up a Regional Rural Bank for the Travancore area with the head office located in Kottarakara, which is the central point of the Travancore area.

योगी आदित्यनाथ : आज सैण्ट्रल हॉल में भारत माता के महान सपूत स्वातंत्र्य वीर सावरकर के चित्र का अनावरण महामहिम राष्ट्रपति जी ने किया है। कांग्रेस तथा अन्य दलों के लोगों ने उस समारोह का विरोध किया था, इसलिए ये एक सीधे-सीधे देश के महान क्रान्तिकारियों का अपमान है और इसकी निन्दा की जानी चाहिए। संसद के द्वारा निन्दा प्रस्ताव पारित होना चाहिए। यह देश के महान स्वतंत्रता सेनानियों का निरादर है।â€¦ (व्यवधान)
