Title: Need to set up defence production units in Gujarat

SHRIMATI JAYABEN B. THAKKAR (VADODARA): Considering the excellent infrastructural facilities and trained man-power available in the State, the Gujarat Government had requested the Defence Ministry (Deptt. Of Defence Production) to consider the proposal of starting some defence production units in Gujarat. The response from the Central Government is still awaited.

I urge the Government to resolve the issue at the earliest.
