

Title: Need to move a resolution from the Chair to congratulate the Hindustan Times, (a leading daily newspaper) which has stepped into 75th year of its publication.

SHRI SUDIP BANDYOPADHYAY (CALCUTTA NORTH WEST): Sir, it is always glorious for any newspaper which steps into 75th year of its service to the nation. The Hindustan Times, a leading daily newspaper of the country, has stepped into 75th year. We all should congratulate, on behalf of the House, the management, the employees, the workers and the journalists of the newspaper. We should believe that The Hindustan Times will continue to proceed forward with their commitment to objective journalism.

I believe, Sir, you can move a proposal from the Chair and we all can agree to it.

श्री विनय गोयल : हम भी इससे सहमत हैं।

MR. SPEAKER: You can associate yourself with him.
