

Title: Need to ensure adequate supply of kerosene to fishermen in Kerala - Laid.

SHRI VERKALA RADHAKRISHNAN (CHIRAYINKIL) : The kerosene supply to traditional fisherman is quite inadequate. It is only adequate for 10 days in a month. The market prize is very high. The fishermen cannot afford to purchase. Many of them are left at the mercy of middle men and money lenders. I request the Government to increase the kerosene supply immediately.
