SHRI BIKRAM KESHARI DEO (KALAHANDI): I draw the attention of the Government towards the need for construction of a high-level bridge over river Hati on National Highway NO. 201 near the town of Junagarh in the District of Kalahandi, Orissa and to establish an all weather communication between Bargarh and Boriguma which is a vital connection for the entire KBK districts. Also another damage bridge on N. H. 201 near Bhawanipatna town which is district Headquarter of Kalahandi may collapse any time, so the proposed new bridge should be sanctioned immediately as a new bridge is overdue since the existing bridge was damaged in 1999.
