

Title: Need to set up a 'Nature Park' at Gureghar in Satara district of Maharashtra -Laid.

SHRI SHRINWAS DADASAHEB PATIL (KARAD): There is utmost need to develop 200 hectares of forest land to create nature park at Gureghar in Tehsil Mahabaleshwar in Satara district of Maharashtra which is a eco-sensitive zone and a tourist destination. Nature park will create awareness for preservation of nature amongst the masses coming to the place as a tourist and would also preserve the bio-diversity of the area. Further, a rare species which are under threat of extinction can also be preserved.
