Title: Need to ensure that Government employees working in Excise and Customs Department are not compulsorily made to work on 'Good Friday' which is a holiday internationally.. – Laid.

SHRI P.C. THOMAS (MUVATTUPUZHA): It is wrong to compel Christians to work on Good Friday, which is a holiday internationally. It is the day of crucifixion of Jesus Christ. The Department of Excise and Customs has asked its personnel to work on Friday the 25th March (Good Friday) for fulfilling some targets.

I request, the Government to urgently direct that such compulsion to work on Good Friday may be avoided.
