Title : Need to take appropriate steps for revival of 53 sick textile units as recommended by BIFR.

SHRI SANTASRI CHATTERJEE (SERAMPORE): The National Textile Corpn. Was establish under the Companies Act to revive and revitalise the 121 Textile units of the country. Unfortunately, the policy adopted by the Govt. of India led to its further sickness. Ultimately through a package by the BIFR out of the 127 units, it was decided to revive 53 units.

But it is very unfortunate to note that there is a serious lack of initiative on the part of the Govt. of India for revival of the 53 units. It is also learnt that the Group of Ministers has suggested to run only 15 units.

I would request the Hon'ble Textile Minister to take appropriate steps for revival of the 53 units as per the BIFR package.
