

Title : Need to give special revival package to the Bharat Heavy Vessels and Plates Limited, Vishakhapatnam.

DR. BABU RAO MEDYAM (BHADRACHALAM): Thank you Mr. Chairman Sir. I want to mention about the revival of the BHVP at Visakhapatnam. The Bharat Heavy Vessels and Plates Ltd. is one of the oldest industries set up in Andhra Pradesh. It played a significant role for industrial growth in the nature of auxiliary and ancillary units in and around Visakhapatnam with thousands of families getting jobs there.

The BHVP was referred to BIFR one year back and the Government of Andhra Pradesh also announced some exemptions from sales tax, municipal tax and other dues, but the company was not revived. Hence, I request the UPA Government to consider and give a special package to revive the BHVP.
