Title : Need to set up a C.G.H.S dispensary at Indore, Madhya Pradesh.

SHRIMATI SUMITRA MAHAJAN (INDORE): The Central Government Employees of Indore are in desperate need of CGHS dispensary. Indore being the financial capital of Madhya Pradesh is having more than 20000 Central Government employees. Most of them are retired persons getting merely Rs. 1000 for their medical facilities. Today a one-time visit to a doctor costs more than Rs. 1000 for a normal person will all the tests and medicines. Then we can simply imagine the financial burden of a retired person. Old age needs more of medical attention. The Central Government Employees Coordination Committee has also arranged four members MIC Quarter for housing the dispensary. In July, 2003, hon. Minister had announced about the opening of CGHS dispensary in Indore but it is yet to be implemented.

I request the Central Government to expedite opening of a CGHS dispensary at Indore.
