Title: Need to build a bridge near Bodesabara-Doddi in Kanakapura, Karnataka.

SHRIMATI TEJASWINI SEERAMESH (KANAKAPURA): Sir, in my Kanakapura parliamentary constituency a small river 'Suvarnamukhi' separates the people of Dodda Munavadi, Kottagalu and Tungani Panchayats more than 70 villages. For their better communication and connectivity there is an urgent need to build a bridge near 'Bodesabara-Doddi' of Kamapura assembly segment.

In the same Kanakapura Parliamentary constituency a small river 'Arkavathi' separates people of Hallimadana Halli and chikkamudavadi Panchayats nearly 50 villages. So, there is an urgent need to build a bridge between Dimda Halli and Ganlu.

I urge upon the Government to take these two requests for building up of bridges to connect my people with better facility.
