Title : Need to collect taxes from Private Company Operating dams in Khed, Maharashtra.

SHRIADHALRAO PATIL SHIVAJIRAO (KHED): There are 21 dams in my constituency i.e. Khed, Maharashtra. Some of them are 100 years old and were built during British rule. Out of the 21 dams, there are 6 private dams operated by Tata Company Limited. But no tax is being paid by the private Company for the dams. The dams have been constructed on agricultural land and they are used for non-agricultural purposes and they ought to pay tax to the State Government. Moreover, the State Government is not collecting taxes from the company. The Government is losing the revenue. Therefore, I demand that the matter may be taken up with the State Government and suitable directions issued to them to collect taxes.
