Title : Need to establish Kendriya Vidyalays in all Parliamentary Constituencies of the country.

SHRI LONAPPAN NAMBADAN (MUKUNDAPURAM): Sir, I rise to bring to the notice of the House regarding some problems of Kendriya Vidiyalayas in our Country. In my Constituency, Mukundapuram in Kerala have no K.V. and also Trichur near Constituency which is the cultural centre of Kerala.

\*The speech was laid on the Table.

For want of K.V. the people, especially Central Govt. employees are suffering. There is vacant land belonged to Central Govt. there, adjacent to Highways. We can have Vidiyalaya in such lands. Govt. may consider, that establish K.V. in all Parliament Constituencies. Now we have the quota, only two seats in K.V. for each MPs every year, that may be increased.

I request that the Govt. may kindly be pleased to take steps to start Kendriya Vidiyalayas in all Constituencies and also to increase the quota of 2 seats to all MPs every year.
