Title: Need to include "Kurukh" language in the Eight Schedule to the Constitution.

SHRI JUAL ORAM (SUNDERGARH): "KURUKH" is one of the Indian Tribal Language spoken by the Tribal Community at large and particularly the "ORAON" Community. This Language is getting eroded day by day.

Hence I demand that the Govt. of India should give grant to promote and propagate for the enrichment of the language as well as this language be recognised and put in the Scheduled List of the Indian Language.
