Title: Need to declare 'Vishwakarma Jayanti Day' as a holiday-laid.

SHRI MADHUSUDAN MISTRY (SABARKANTHA): The millions of masons, bricklayers, junk smiths, carpenters, gold smiths and artisans, specially with technical skill believe in lord Vishwakarma. It is believed by these communities, that lord vishwakarma has created the world and even now they do all the work after worshipping the lord Vishwakarma.

It has been their demand since long that a 'Vishwakarma Jayanti' should be declared as 'holiday' or 'optional holiday' by the Union Government.

I urge the Government of India to consider this demand of all the Vishwakarma's of the country sympathetically and declare 'Vishwakarma Jayanti Day' as holiday.
