Title: Need to set up Army Recruitment Centres in district headquarters of Orissa.

SHRI PARSURAM MAJHI (NOWRANGPUR): A large number of young men from Orissa want to join Army. They are living in different parts of the State. They come all the way to Cuttack as only one Recruitment Centre of Army has been set up there. A good number of candidates who are fit for the Army job are living in the remote areas and mostly in the tribal belt. Apart from money they are also spending a lot of time for to and fro journeys to Cuttack. To save their money and time, it is necessary to set up more number of such Training Centres in the State.

In view of this, I suggest that at least one such Army Recruitment Centre be set up in every district headquarter in the State.
