Title: Reported revelation made by BSF regarding Ultra camps in Bangladesh.

SHRI ANWAR HUSSAIN (DHUBRI): Sir, Shri P.K. Mishra, IG of BSF, Assam and Meghalaya, met the BDR from Bangladesh at Chittagong recently. He held a Press conference on 4th May. In that he revealed that he had submitted a list of 172 camps of Indian militants in Bangladesh and also a list of 72 militant leaders living in Bangladesh and also a list of 79 sympathizers of Bangladesh. Due to change of regime, Bangladesh has responded positively and assured that the action will be taken soon.

But Mr. Mishra expressed his great concern to the effect that the militants are managing to smuggle arms and ammunition and trans-border crimes, illegal migration and smuggling of cattle have gone up along with the fundamental activities in Bangladesh border. They take the advantage of lack of border-fencing and the open border in the vast riverine areas.

Hence I urge the Government to complete fencing works as has been committed in the tripartite talks held in 2005 and take early action to combat trans-border crimes, resist smuggling of arms and ammunition and cattle and illegal migration at the earliest. Thank you.
