Title: Need to ensure payment of minimum wages to workers in Jammu and Kashmir.

CHAUDHARY LAL SINGH (UDHAMPUR): In J&K educated/uneducated people are working in different departments but they are not getting minimum wages. In the State SPOs and members of VDCs are getting Rs 400 to 3100/-. Same is the situation in other departments. There is frustration among the workers. I request to sort out the problem of minimum wages.

I urge upon the Government of India to take suitable measures to give full wages to such workers.
