Title: Need to create separate Development Board for Konkan region.

SHRI ANANDRAO VITHOBA ADSUL (BULDHANA): There is persistent demand for separate Development Board for Konkan. Konkan region is as backward as Vidarbha and Marathwada regions.

As compared to other development Boards giving an unequal status to the Konkan statutory Development Board will not be acceptable to the people from Konkan.

There is an urgent need to amend the Article 371(2) of the Constitution for enabling creation of the separate development Board for Konkan.
