Title: Need to extend financial assistance to the Government of Orissa to set up a Special Care Unit for treatment of burn injury cases in the district hospital at Balasore.

SHRI KHARABELA SWAIN (BALASORE): Sir, Balasore, a prominent district headquarters of Orissa also accommodates the Interim Test Range from where the missiles like Agni, Trishul are test-fired. Thus, it is a very fast growing township, but the district hospital does not have the facilities for treating burn injuries. Due to lack of proper treatment, many a people die every year of burn injuries. The State Government lacks fund to build a separate Special Care Unit in the hospital to treat such patients.

The Central Government should come forward with financial assistance to build a Special Care Unit for the treatment of burn injuries at Balasore.
