Title: Need to provide a stoppage for Nellore Express at Sattur Railway Station in Virudhunagar district, Tamil Nadu.

SHRI RAVICHANDRAN SIPPAPARAI (SIVAKASI): The Nellore Express train runs daily between Chennai and Thirunelveli. It starts at 9 0' clock from Chennai. This is the last train service from Chennai to South Tamil Nadu. It is a first train to reach Chennai from South Tamil Nadu. Sattur is the only municipality which is left out from the stoppages given for this train in South Tamil Nadu. I urge the Railway Ministry to provide a stoppage for Nellore Express in both directions for Sattur Railway Station in Virudhunagar district.
