Title: Reference Felicitation to Junior Indian Hockey Team on Winning
the Junior Asea Cup against South Korea.

MR. SPEAKER: Hon. Members, I am very happy to announce this – I should have done it yesterday – and I am sure all of you would join me in extending our congratulations to the Indian Junior Hockey Team for winning the Asia Cup. They have done us proud. We have got great agony that our Hockey Team is not in Olympics this year, but our Junior Hockey Team has done very well. Let us convey our best wishes to all of them. I also thank Mr. Mohan Rawale for reminding me.
