Title: Need to provide financial assistance to the people affected due to hailstorm in Mizoram.

SHRI C.L. RUALA (MIZORAM): A hailstorm in Mizoram has recently claimed seven lives, injured eleven and destroyed more than nine thousand houses including school buildings and public halls besides crops. I would like to urge upon the Central Government to send a Central team to Mizoram immediately to assess the damage caused due to the hailstorm and to give assistance to the affected people.
